TOWN WARRANT
State of New Hampshire

THE POLLS WILL BE OPEN FROM 12:00 NOON TO 7:00
P.M. MARCH 10, 1981.

*To the inhabitants of the Town of Bradford in the County of
Merrimack in said State qualified to vote in Town affairs:*

You are hereby notified to meet at the Town Hall in said Bradford on
Tuesday, the tenth of March next, at twelve o'clock noon to act on the
following Articles:

- 1 To choose all necessary Town Officials for the ensuing
year.
- 2 To raise such sums of money as may be necessary to defray
Town charges for the ensuing year and make appropriations of
the same. To adjourn the meeting until Wednesday, March
eleventh at 7:00 o'clock in the evening; the raising of money and
other articles in the Warrant to be taken up at adjourned
meeting.
- 3 To see if the Town will authorize the Selectmen to borrow
money in anticipation of taxes.
- 4 To see if the Town will vote to authorize the Selectmen to
apply for, accept, expend and appropriate through the Budget
Committee:
 - a. Any Federal Fund under Title I, Local Public Works,
Capital Development and Investment Act of 1976, contin-
gent on availability.
 - b. Contingent on availability, Federal Disaster Funds in the
event such funds are needed.
 - c. Contingent on availability, Federal Anti-Recession Funds
under Title II (assistance to State and Local governments.)
 - d. Contingent on availability, Anti-Crime Commission Funds
for police use.

- e. **Contingent on availability, energy conservation funds from Federal and/or State sources.**
- 5 To see if the Town will vote to approve the application for, acceptance and expenditure of Comprehensive Employment and Training for funding Public Service employment positions in the Town, contingent on availability.
- 6 To see if the Town will vote to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
- 7 To see if the Town will vote to accept for use on Town highways and roads:
- a. The sum of \$12,816.72 from the State Highway Subsidy Fund. (Recommended by the Budget Committee)
- b. An estimated sum of \$9,688.38 of Additional Highway Subsidy Funds for improvement and/or construction of Class IV or V highways in Town. (Recommended by the Budget Committee)
- c. A State subsidy of \$7,971.89 (Duncan Fund) for the maintenance of Class V highways in the Town. (Recommended by the Budget Committee)
- 8 To see if the Town will vote to raise and appropriate the sum of \$1,144.85 for Town Road Aid (TRA) and to accept the sum of \$7,632.36 from the State in Matching Funds. (Recommended by the Budget Committee)
- 9 To see if the Town will vote to retain the unexpended portion of the Conservation Commissions's 1980 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:112 (II). (Recommended by the Budget Committee)
- 10 To see if the Town will vote to authorize the expenditure of 15,000 from Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal Area. (Recommended by the Budget Committee)
- 11 To see if the Town will vote to authorize the billing and

collection of property taxes on a twice yearly basis; a billing in June to be one half of the taxes levied for the previous year, the balance to be billed at the usual time and to be based on the new tax rate for the year. This authorization to raise, appropriate and expend an additional \$1,500 to cover the cost of such collection. This will amend the Town Officers' Salaries by an additional \$1,000 and amend the Town Officers' Expenses by an additional \$500. The process is needed to increase cash flow to operate Town services and reduce short term borrowing. It would further amend interest on temporary loans from \$15,000 to \$6,000. A saving to the Town of an estimated \$7,500. (Recommended by the Budget Committee)

- 12 To see if the Town will vote to raise, appropriate and expend the sum of \$19,000 to construct a two stall auxiliary Fire House on West Road on the Pearl Lot owned by the Town. (Not recommended by the Budget Committee)
- 13 To see if the Town will vote to appropriate from the Sarah R. Hoyt Trust Fund the sum of \$250 per year for the next four years to offset the cost of the Town Poor. (Recommended by the Budget Committee)
- 14 To see if the Town will vote to raise, appropriate and expend the sum of \$10,000 to plan, develop and install means of conserving energy, reducing heat loss and preserving the Town Hall, an Historic Building; to seek assistance from the Governor's Office of Energy for obtaining and expending through the Budget Committee monies for energy conservation. \$2,000 to come from Revenue Sharing; \$8,000 to be raised by taxes. (Recommended by the Budget Committee)
- 15 To see if the Town will vote to raise, appropriate and expend the sum of \$2,500 from Revenue Sharing Funds for Town Officers' Expenses. (Recommended by the Budget Committee)
- 16 To see if the Town will vote to fill all positions on the Town Planning Board by election when their present terms expire, and not by the appointment of the Selectmen. This would take effect for the year 1982. (Submitted by petition)

- 17 To see if the Town will vote to allow not more than one mobile home for every ten permanent, single family homes occupied at the time of application. (Recommended by the Planning Board)
- 18 To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the State or any city, town or other governmental unit of the State to five percent. (Submitted by petition)
- 19 To see if the Town will vote to raise and appropriate the sum of \$278.00 as its' share of the cost of supporting the Dartmouth-Lake Sunapee Region Association—the official N.H. non-profit tourism promotion organization for the area. (Not recommended by the Budget Committee)
- 20 To see if the Town will vote to accept the reports of the Town Officers.
- 21 To transact any other business that may legally come before the meeting.

SELECTMEN'S COMMENTARY 1980

The year 1980 saw many good things happen to the Town but to offset the good, unforeseen outside effects created problems of the operation of Town business.

Our Road Agent, Mr. Phillips Byfield has progressed into his second year and has developed a more stable and dependable crew which has worked hard on the transportation network of the Town as well as to upgrade equipment. The equipment has been maintained on a regularly scheduled basis and is performing very satisfactorily. The new truck has been put in service and the older vehicles maintained for special uses. The Town Barns have been upgraded and maintained. Insulation has been installed and the heating system converted to wood at no out-of-pocket expense. With little snowfall, the crew proceeded to remove brush and encroaching trees along the roads for safety and easier maintenance. New culverts were installed to keep drainage and washing problems at a minimum. A new large culvert for Deer Valley/Nichols road was purchased and will be installed after the spring rains period. Center Road, started a year ago, was paved as planned and sealing and oiling was carried out as scheduled by the Town crew.

The road sweeper authorized for purchase with Revenue Sharing Funds was obtained at a much more favorable price than anticipated and the cost of paving Main Street was reduced by favorable action by the Road Agent. This newly paved road has added much to the Town's pride.

In addition to the usual highway duties, the Road Crew has been called on for work at the Disposal area, maintaining it and doing needed burning and grading. They also setup a truck to receive broken down cardboard cartons and bundled paper which has been trucked out and sold, resulting in a small but welcome return to the Town. The cooperation of the merchants in complying with the request to dispose of such material in this way is much appreciated, as is the effort of individuals. Small though the returns are, they are savings on your tax bill. In addition the reduction in the number of loads to be hauled out has been reduced at a substantial saving. As time goes on we may find we can recycle other material. The road crew also worked on Parks and Recreation Fridays; constructing and grading for the Brown-Shattuck skating rink and enlarging the ballfield. Both are of benefit to the Town.

The police cruiser authorized from Revenue Sharing Funds was purchased and after a considerable wait, it finally arrived. The old

cruiser was traded in. The police activity increased during the year with calls increasing as thefts in outlying areas rose. The Selectmen urge that those seeing violations of property and laws to please call the Police Department. The dispatcher will take calls if the office is not manned. We have 24 hour coverage but if you do not call we cannot help. (See the Chief's report for complete details.)

The authorized new pumper was ordered and the chassis and some equipment paid for. Delivery of the completed unit is expected mid-year 1981. Authorized bonds in the total amount of \$24,000 were obtained at an average rate of 11% per year interest and of course, will be paid for yearly until redeemed.

Mr. Harold Gustavsson was appointed Trustee of the Trust Funds. He has consolidated funds and invested those dollars as well as the capital reserve in high earning C.D. notes. These have earned considerable money for the Town, which will be reflected later in the Town's revenue.

The Land Inventory Map (Tax Map) continues to be very helpful. It is revised annually to include new subdivisions and transfers of ownership. The subdivision and resurveying of land continues at a surprising rate despite the economic conditions of the country. Many tracts of unknown ownership have been traced down and placed on the tax roles. While discrepancies between what the landowner believes he owns and what he is taxed for exist, the Board will adjust acreages based on the findings certified by a registered land surveyor at the owner's expense.

Bradford is a member of the N.H. Municipal Association, a non-partisan, non-profit organization of 223 member cities and towns, sharing a common interest in better local government. Services of N.H.M.A. provided to members are advice and assistance on legal and group insurance programs, technical advice and personnel services. Through the utilization of these services, we have reduced costs this year. Also available are workshops for staff and the Board on municipal liability, assessing, budgeting and the exchange of procedures in other governmental units.

Building in the Town continued at a rapid rate during the year. An increase of assessed value of tax base of approximately \$500.00 was tallied for the year, a total of over \$13,000 for tax levies. This was done at a cost of \$3,000. Costs for this service were higher than anticipated but will be reduced in coming years as the Board becomes more familiar with procedures. We feel that continuity of assessment procedures is essential in keeping values "fair and just".

The Town benefited by increased receipts of Room and Meals Tax, and Interest and Dividends Tax. Other gains were reflected in shrewd purchases by Departments. Pluses this year were that deficit spending was held to a minimum despite wildly spiraling costs of materials and services.

While the Town tries to be careful of the dollars it spends, some items are beyond our control. Insurance on Town property, personnel and equipment continues to increase even though we are increasing our deductible share. Retirement and Social Security continues on an upward trend. Disposal service charges are tied to the inflationary spiral and though we have sought bids from other vendors, our present contract is most favorable in spite of the escalation. Public Welfare costs increased beyond anticipation and undoubtedly will continue as a reflection of the economic conditions.

Bradford is a "retirement town" as found out by the Master Plan groups. Not that there are no young families, our school population certainly points up the fact that we do have a growing population, but our Town does attract and hold an elderly population because of its' quite rural atmosphere, our resident health services, a bank and several active merchants.

Because of this there are an increasing number of elderly exemptions on the tax roles. In 1979 there were 25 applicants who were granted \$250,000 in exemptions. 1980 saw 29 applicants whose exemptions amounted to \$295,000. Part of the increase is due to the increased age of the qualifying residents.

The Town is the recipient of the flag flown at the Town Hall. This flag was given by Mr. Glendon Mayo, a landowner and part time resident, in memory of his father Frank E. Mayo. He anticipates replacing the flag as needed. The Town accepts this gift with pleasure and thanks. The Mayos hope to be full time residents soon.

One of the highlights of the year for the Conservation Commission was the purchase by the State of New Hampshire of the 900 acre Low Property abutting Hillsboro. The large tract of high, rough land, practically inaccessible by any road system in Bradford will henceforth be one of the larger State Forests in South Central New Hampshire and will be open for hunting, hiking and other recreation as well as the production of forest products. While there is an immediate loss of tax base, the value of State ownership and the consequent reduction of the

possibility of subdivision of a tract in a remote area is of long time benefit to the Town. (See the Conservation Commission report.)

The Master Plan volunteers have concluded their data assembling and are working to put together the final results and recommendations. Co-Chairmen Nelson Spaulding and Harold Gustavsson and their co-workers are to be commended for the many hours of work spent on this project.

During the year, two pillars of Bradford's devoted public servants left our Town. Mr. and Mrs. Bernard Woods (Barney and Anne), who served the Town for many years as Selectmen, Tax Collectors and part time police officer, were honored at a party organized by Chief Rich and Florence Jones. It was attended by many townspeople. We wish them a well and happy retirement!

In the Town Office, paperwork continues to multiply. Forms one gets used to doing change constantly; detailed reports increase. Merchants require bills to be returned leaving us to duplicate them for our records. Keeping up with land transaction, tax maps, assessment figures, inventories, requests for reports in great detail is a time consuming effort. Fortunately devoted public servants are still available. The Town Office is staffed by a competent and devoted secretary, Mrs. Virginia Carter, ably assisted by Miss Hazel Fisk, who had been financed by the Green Thumb program during the year though she serves additionally during periods of critical need.

The Historical Society and its dedicated members have set up their building on Town property on Route 114. Volunteers are raising money for work on the building and the site. They were also instrumental in having the Town Hall placed on the National Roster on Historical Buildings.

Our Fire Department and the Rescue Squad have actively served the Town and through Mutual Aid, the surrounding areas. As home grown energy (wood) use increases, calls for chimney fires have increased. Fortunately, prompt response has held damage to a minimum.

The year has been rewarding and frustrating, difficult to plan for expenditures. Even as this is written it appears the budgeted costs beyond our control (fuel, electricity, telephone, paper, supplies, etc.) may be inadequate for the year.

School costs which make up 68% of your tax bill can upset you, the

taxpayer, and make the 25% of that bill which is the Town's share be squeezed harder. We urge you, therefore, to make your feelings known and participate in the budgeting procedure for school costs which make up the greatest share of your tax bill.

Special commendation is due the dedicated service of the Budget Committee for the hours they have met with the Selectmen to pound out a bare bones budget for the Town operation. You will not find a bit of "fat" on the proposals.

FRED E. WINCH, JR.
JOHN D. PFEIFLE
CLARENCE R. HALL
Selectmen of Bradford

CERTIFICATE OF THE SELECTMEN

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

LIBRARY TOWN REPORT - 1980

Bradford's Town Library continues to offer a variety of services to the townfolk; one of which is our magazines (we circulated 1647 last year). They vary in content: news, household, crafts, history and others. Our books continue to be a variety of fiction and non-fiction, thanks to the efforts of our librarian's continued search for worthwhile books.

One of the sadder events confronting the friends of the Brown Memorial Library was the death of Effie M. Craigie, librarian for so many years and close friend of those who were so deeply nourished by the reading of books. Effie's love of people and of books overflowed. Memorial contributions were made to the Effie M. Craigie Children's Book Fund. This fund will be used to purchase children's books.

Another event which saddened many of us was the death of Amy Milner, who also shared her life so deeply with books and friends. We pay loving tribute to these ladies.

During National Library Week in April the Trustees gave a tea for the purpose of acquainting our patrons with the new bookshelves. In June we had an open house for the children who come as a group each week from the elementary school. During July we had a successful book and bake sale.

We also purchased an additional card catalog and set of World Book Encyclopedias as well as our usual purchase of books.

The Board of Trustees and our Librarian, Mrs. Dolores Hansen wish to extend a thank you to the townspeople for your cooperation in the fine support of our library facilities.

REPORT OF THE BRADFORD POLICE DEPARTMENT

Once again I am pleased to submit to you the 1980 Annual Report of your Police Department.

As our report indicates we have serviced 804 varied type of complaints which shows an increase of 117 over 1979. This increase in workload left the department with a substantially reduced amount of unobligated time or time which was not actually devoted to routine patrol, building checks, vacant home checks and other activities. This increase also caused more paper work and without the services of a secretary many hours was spent in headquarters preparing reports.

Because of the emergency nature of the police service, forecasting future police operations in terms of funds necessary to perform the wide variety of possible police tasks is not an easy assignment. It has been said, and truly so, that a community receives the quality of police services that it demands and is willing to support financially and otherwise.

Your Police Department fully realizes its responsibility to the citizens of Bradford and we constantly striving to better serve you. Improved police techniques are helping this department detect and arrest offenders. The population has increased over 300 since I assumed the position of Chief of Police and we find it necessary for the citizenry to report violations or suspicious happenings immediately after observing them. An on-going Public Relations program has helped us build a bond with the community and we are proud to serve its needs.

Respectfully submitted,

MARVIN RICH
Chief of Police

REPORT OF BRADFORD FIRE DEPARTMENT

	1979	1980		1979	1980
Chimney Fires ...	11	17	Others	5	5
Structures	2	5	Brush	1	7
Partition.	-	3	Drills-Meetings ...	12	15
Car Fires	3	1	Work Sessions	6	5
Accidents	3	2	Pump Test	-	1
Mutual Aid	7	7	Trailer	1	0
			TOTAL	51	68

Please note that the above is over a 30% increase in the number of calls your Department answered this year. It does not take into consideration the many Sunday morning work sessions. We do most of our own maintenance. This increase put a strain on our budget so that we had to go without some items that should have been replaced such as hose to maintain a minimum reserve.

When you look at the budgets of neighboring towns you find an item for labor for fighting fires that runs from \$4,000.00 to \$8,000.00.

One of our largest single items in our budget is for telephones, the use of which is shared equally with the Rescue Squad.

Seven firemen completed and passed with high marks the "Certified Firemen's" 90 hour course this fall. The expense of attending these classes was borne by these men themselves.

Your Department furnished the equipment for flooding the ice rink.

Engine 2 was put thru a pumping test at the request of the "Insurance Services" and it passed the "Class A" requirements. This is the truck the Department would like to see placed in a new station along with Tanker 1 (Mack) upon which has been installed a more suitable tank. The tank was purchased with funds earned by our Annual July 4th activity.

Two new hand held two way radios were also purchased from the above funds.

It is hoped that it is clearly apparent that all projects performed or recommended are done, with the best interests of the Town in mind.

ROBERT A. MOORE
Chief

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

REPORT OF THE ROAD AGENT

The past year has been a busy one for the Bradford Highway Department and this is a summary of our year's work.

Last spring, several roads in Town washed out and we installed large culverts in them to correct this problem once and for all. On Main Street, we removed the rocks, installed a new drainage system and resurfaced the section between Rt. 114 and Rt. 103. We finished TRA projects on Center road and started on Silver Hill. Howlett Road and County Road were both widened.

Repairs and improvements to the Highway garage, which includes insulation, doors and heating have been completed. We have built a road roller to use in the resurfacing and oiling of roads.

In addition, we have stopped using road salt or sand mixed with salt on Town Roads in the wintertime. Using salt entails spending \$400 to \$500 per storm whether it's a small storm or a large one.

Maintenance of the Town Dump and French's Park are now part of the regular duties of the department. At the Dump, we have initiated a recycling program for cardboard and newspapers which benefit the Town in two ways; one, the compactor doesn't fill up so quickly and two, we get income from the recycling program, which goes into the General Fund.

Many of you may have noticed a marked difference in the appearance of French's Park. We now have a regular cleanup and trash removal service in operation.

Respectfully submitted,

Phillips Byfield III
Road Agent

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT OF SERVICES

The Kearsarge Visiting Nurse Association continues to serve the residents of its nine participating towns with home health care on an individual basis and health promotion clinics on a community basis. Greater efficiency has made it possible for us to request no increase in the per capita assessment of \$1.95 from each participating town.

The Kearsarge Visiting Nurse provides the following services for your town!

HEALTH PROMOTION - FREE

Immunization Clinics
Child Health Clinics
Preschool Dental Clinic
Speech Therapist
Nutritionist
Prenatal, Newborn & Postpartum Care
Child Protection Team
WIC Supplemental Food Program
Infant Car Seat Loan Program
Adult Health Clinics
Food Bank
Medical Equipment Loan Closet
Blood Pressure Clinics

CARE OF THE SICK - REIMBURSED

Skilled Nursing Care(RN's)
Acute and chronic care for medical, surgical and mental health patients.
Blood Drawing (new service), injections, dressings, heart/lung exam, etc.
Physical Therapy
Occupational Therapy
Home/Health Aide
Homemaker (where medically necessary)

The growth of the KVNA is reflected in a total of 277 Nursing Care visits, 66 Physical and Occupational Therapy visits and 314½ hours for Home/Health Aide and Homemaker for Bradford.

If anyone knows of a relative, friend, neighbor or family who needs help, please call us at 526-4077.

Your continued support and confidence in our organization allows us to grow and serve the health needs of your community.

Robin Gallup, RN
Tanya Wilkie, RN
Co-Directors

Your town representatives are: Donald Garman
M. Louise Signorino

REPORT OF THE BRADFORD TOWN HALL RESTORATION COMMITTEE

November 12, 1980 the Bradford Town Hall was entered in the National Register of Historic Places. Registered places are eligible to be considered for Federal Matching Grants for protection or preservation. It imposes no restrictions or limitation on the use, unless Federal Funds are directly involved.

Part of the Eva Gebhard-Gourgand Foundation grant is being used to have a curtain for the back of the stage. Plans are in the making for further improvement.

Respectfully submitted,

CARROL BUTMAN
WILLIAM CURLESS

EUGENE SCHMIDT
MATILDA WHEELER

HEALTH OFFICERS' REPORT - 1980

Even though the national economy remains slow, Bradford is growing as shown by receipt of 8 approved construction plans for new septic systems. State regulations now require all septic system designers to be licensed probably as a result of the higher than expected rate of failure of recently installed systems. Additionally, new applications must include location and percolation tests for a replacement system if the original should fail.

Older systems are slowly being replaced--four this year in Bradford. Treat your septic system kindly and avoid expensive repairs is the message in a publication *A Homeowners Guide to Septic System Maintenance* available free from the Selectmen's Office.

Well drillers have been busy in all areas of Bradford as the ground water table continues to drop. Please remember that new wells must be located at least 75 feet from septic systems, even your neighbor's. One badly contaminated well in Bradford has caused the owners considerable expense and inconvenience trying to correct the problem. Yet the cost is much less than a trip to the hospital. If you notice any change in the quality of your well water don't hesitate to call on one of the Health Officers for advice.

During 1981, the Health Officers and Selectmen will be working on a Health Code primarily for the health and safety of tenants residing in multi-family dwellings. We will also examine the impact on septic systems of converting seasonal camps to year around dwellings.

Respectfully submitted,

JAMES V. BIBBO
Health Officer
FRED BODHOLT
Deputy

REPORT OF THE BRADFORD PLANNING BOARD

The master plan committee has spent the past year or so collecting information on Bradford's resources in order to identify the potential growth areas and those areas that should not be developed. When the committee is finished with the draft master plan there will be plenty of opportunity for community input at public hearings. The final plan will reflect the wishes of most people in town if we all make the effort to attend the public forums.

This year eight applications for subdivision were received and the board approved seven and refused one. The latter application was for a simple subdivision on a road which had been closed many years ago and would be far too expensive for the town to provide services.

The tax map continues to be a great aid to landowners and town officials. Much land untaxed for years has been discovered and is now making its way onto the tax rolls. Because the tax map must be up-dated each year, the planning board now requires an accurate survey by a registered surveyor for all final subdivision maps. This will insure an accurate tax map and help reduce the Town's cost for revisions.

The Selectmen and planning board members have been studying the problem of proposed subdivision and on class 6 roads (those closed by prior action of the Town) and we have reached the conclusion that subdividers would have to petition the town via the warrant and present their case at town meeting. The voters would be apprised of future town cost of maintenance and would decide if the road in question should be opened or remain closed.

Since 1974 Evelyn Lammert has faithfully served Bradford in many capacities. Without Evelyn's dedicated service as planning board secretary many good things would have gone unaccomplished. Evelyn was quick to keep us on tract and to remind us of the little things that add to a community if done right or, if unchecked, detract from and otherwise pleasant town. Thank you, Evelyn for all your hard work and may your new endeavors be rewarding.

If you are thinking about subdividing your land please come and visit with the planning board on the second Wednesday of each month. Meetings are held in the Selectmen's office at 7:30 pm.

Respectfully submitted,

Fred Bodholt, Chairman
Delbert Harris
Richard Messer

Mary Smith
Fred Winch, Selectmen

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

1980 marks the tenth year that the Central New Hampshire Regional Planning Commission has been in existence. During this period the Commission has continued its involvement in studies of both a local as well as a regional nature.

The Commission is solely an advisory body to the member communities and as such is often invited to provide technical assistance and advice on local projects.

As a part of this ongoing technical assistance the commission has been pleased to provide information to the Planning Board on master plan procedures as well as base maps and data to be used in formulating such a plan.

The Commission, this past year, again hosted a series of legal seminars for local officials and an open house on alternative energy sources.

The Commission hopes to be able to continue to serve the needs of its member communities in the future and appreciates the past support of its activities by the Town of Bradford.

Respectfully submitted,

**EVELYN LAMMERT
MARY SMITH**

Bradford Representatives to
the Commission

REPORT OF THE BRADFORD CONSERVATION COMMISSION

This year we completed the Fitness Trail, planted trees on Main Street and continued our planting of shrubs across from the entrance to Bradford Pines.

The Acworth Conservation commission needed financial aid in activating a repeal of the court ruling against honoring a conservation zone. We raised \$130.00 by selling changes on a Hitchcock type morror made by Adam Lammert and adorned with a painting by Shirley Hambrecht. The outcome of the case will set a precedent and affect all Conservation Commissions.

A clean up at French's Park was one of our projects. Skindivers removed glass and debris from the swimming area. The picnic table and trash basket was again provided by the State Highway Department and the trash removed by Clarence Wheeler.

The G. Prescott Low property was acquired by the state for a forest. Both Bradford and Hillsboro Conservation Commissions and Representative James Bibbo worked toward this goal. Evelyn Lammert and Matilda Wheeler were present at the signing of the deed.

We have a continued interest in the Bog, the Pines and our wetlands.

It is with regret that we accept the resignation of our efficient secretary, Evelyn Lammert.

Respectfully submitted,

MATILDA WHEELER, Chairman

EVELYN LAMMERT,
Secretary (resigned)

ISABEL SHEEHAN, Treasurer

LEONARD SARGENT

**COMMUNITY ACTION PROGRAM
BELKNAP-MERRIMACK COUNTIES, INC.**

The Kearsarge Valley Community Action Program located in the Old Graded School, Main Street, Warner, serves eight towns in Merrimack County: Bradford, Henniker, New London, Newbury, Sutton, Warner, Webster, and Wilmot. This year we were able to double the dollar amount of services to the Elderly and low-income families of this area. That translates to \$354,463.63 in services.

Services to the elderly include Meals-on-Wheels and the Senior Companion Program for shut-ins; Congregate Meal Sites in Henniker, New London-Wilmot, and Warner; and a Rural Transportation Bus that gets Senior Citizens into Concord. Our fuel assistance program last year reached 220 families in the eight towns. We expect that this year even more people can be helped. We are again offering an Adult Basic Education Course teaching basic skills in the areas of parenting, family health, money management and nutrition. In addition, this year we are going on 24-hour call for emergency situations. There will be a phone number published when the program gets into full operation.

The money your town appropriates for Community Action goes to run the Area Center in Warner. The Center's budget goes for salaries, travel expenses, office supplies, and the cost of heat and maintenance for the Community Action Neighborhood Center. The federal government provides the bulk of monies for the 1981 budget. What we ask from each town is a percentage of program participants from each town.

Respectfully submitted,

THOMAS CHAMBERLIN
KVCAP Area Director

THE BRADFORD HISTORY COMMITTEE

“Two Hundred Plus” the history of Bradford published in 1976, sold twenty six copies this year. The sum of \$462.10 was turned over to the town treasurer by Elizabeth A. Cilley, agent for the book. Copies may be obtained at the office of the town clerk.

The history committee is requesting again this year that anyone having geneological material relating to Bradford people contact them. A gift from Winfield S. Smyth of his geneological files on Bradford families, gives the committee a basis on which to build.

Pictures, either old or current of Bradford people, places or events, are welcomed by the committee to preserve in their albums.

We urge support of the Bradford Historical Society either by membership or gifts. Its home, the former Bradford Post Office, is on a permanent foundation, is half paid for and will require much volunteer labor to renovate the interior and landscape its grounds.

Everyone is welcome to attend the monthly meetings of the society held usually in the church vestry on the fourth Wednesday evening of the month.

It is only six years to the celebration of Bradford's Bicentennial!

Elizabeth A. Cilley, Chairman

Mildred Gunscheon

Julian F. Dodge

Margaret Ainslie

Ruth S. Moore

Doris F. Sargent

Raymond E. Jaycox

BRADFORD COOPERATIVE KINDERGARTEN

The Bradford Co-op Kindergarten and Preschool operates as a non-profit organization. Our aim is to provide the children of Bradford with a comprehensive Kindergarten and Preschool program.

We purchase all the supplies and equipment necessary to run a Kindergarten and preschool program; and we provide for a qualified teacher and a working format for this program. It is our intent to work along with the regional school system so that our children will be able to make a smooth transition into first grade. Every year, despite rapid inflation, we have strived to keep tuition reasonable with the hope that all children in our community will be able to attend a local kindergarten. We feel that the preschool years are extremely important years, and that the Bradford Co-op Kindergarten offers a valuable service to the town at no extra cost to the taxpayers.

Our annual budget for the 1980-81 school year is in excess of \$6,000.00. Our organization has raised \$2,240.00 through various fund-raising efforts. This includes our major money-making project "The Olde Fashioned Pig Roast and Dance." We also published "The Bradford-Newbury Business Directory." Other fund-raising projects include a wood raffle and election dinners served to town officials. Individual donations and tuition payments support the balance of our budget.

We would like to take this opportunity to extend our sincere thanks to all the residents of Bradford for their continued support of our organization.

Respectfully submitted,

KATHY MCKENNA
President Bradford Co-op Kindergarten

NEW HAMPSHIRE DEPARTMENT OF RESOURCES AND ECONOMIC DEVELOPMENT

As New Hampshire State Historic Preservation Officer, I am pleased to inform you that the Bradford Town Hall was entered in the National Register of Historic Places on November 13, 1980. A copy of the official notice is enclosed for your records. A copy of the National Register nomination is on file and is available for your inspection at the New Hampshire State Historic Preservation Office, 6 Loudon Road, Concord, New Hampshire.

The National register is the official Federal listing of significant heritage resources (buildings, structures, sites, districts and objects) worthy of preservation, but it does not impose any restriction or limitation on the use of private or non-Federal property, unless Federal funds or programs are directly involved. Registered resources are eligible to be considered for Federal matching grants-in-aid for protection, preservation, rehabilitation or reuse. National Register designation also provides for review by the Advisory Council on Historic Preservation (a Federal agency) of potential effects which any Federally funded, assisted or licensed project might have on registered properties.

HUD Historic Preservation Loans are available to rehabilitate Register properties for residential use. In addition, Section 2124 of the Tax Reform Act of 1976 (PL 94-455) contains Federal tax incentives for rehabilitation of privately-owned income-producing Registered properties; it discourages destruction of historic buildings by reducing tax incentives both for demolition of such structures, and for new construction on the site of demolished historic buildings. The Tax Reform Act also provides tax benefits for donation of easements and other gifts of real property for conservation, preservation, recreation, and education purposes, thus encouraging the protection of archaeological sites and natural settings as well as significant structures and districts.

Detailed information about the National Register program and the Tax Reform Act is enclosed. If you have any questions or concerns, please call the Preservation Office (603-271-3483).

Your comments will be appreciated.

Sincerely,

GEORGE GILMAN
Commissioner
NH State Historic Preservation Officer

NHMA'S TOWN CRIER

Published by N.H. Municipal Association

"The New Hampshire Municipal Association has existed since 1957. It is a non-partisan, non-Profit organization whose 223 member cities and towns share a common interest in better local government.

NHMA provides a wide variety of services to its member communities. Among the services provided are: legal services, technical assistance, group insurance programs, personnel services and representation of municipal interests before federal, state, and administrative bodies.

The ultimate goal of these services is to help elected and appointed officials provide more efficient and effective government at the local level. In its representation of municipal interests before the state legislature, one of the primary goals of the Association is preventing excessive property tax burdens being placed on local governments.

NHMA also conducts many workshops and seminars dealing with local needs and problems. These include programs on such topics as municipal liability, welfare administration, assessing, land use and planning law, budgeting and labor relations. The biggest and most important learning opportunity offered by NHMA is its annual meeting. Held every fall, this meeting provides local officials with valuable program sessions designed to give local officials ideas and information they can put to use in their communities for the people they serve.

Further information about NHMA can be obtained from the Board of Selectmen or by contacting NHMA offices at 193 No. Main St., Concord, N.H. 03301.

DARTMOUTH-LAKE SUNAPEE REGION ASSOCIATION

The Officers and Board of Directors of the Dartmouth-Lake Sunapee Region Association (DLSRA) wish to thank the townspeople and officials of Bradford for their generous appropriations at the 1980 Town Meeting.

DLSRA, a non-profit organization, worked hard to make this area a vacation destination during 1980. Our 120 business members and volunteer board members believe that all businesses, not only inns and restaurants, benefit from a healthy vacation travel economy. We applied for and received over \$7,000 in N.H. State Matching Funds to produce and distribute 75,000 copies of our new color-covered vacation brochure. This was the first time our region had a selling piece that was competitive with other sections of the state and New England. Exactly \$7,332 in private funds were matched by a like amount of state dollars in November 1980 so that DLSRA could organize and carry out an important advertising campaign to promote mid-week skiing in our region. All major downhill and cross-country centers participated along with over 25 lodgings and dining establishments. DLSRA also funded a seven day a week live ski information phone during the winter of 1979-80.

In addition to these major achievements DLSRA mailed nearly 4,000 vacation kits to people who wrote our office, handled several hundred phone inquiries, prepared several news releases and feature stories for over 90 travel editors throughout the East and established a unique theatre/lodging/dining discount program for summer arts enthusiasts.

This year promises to be busier than last and we would sincerely appreciate your continued support! Thank you.
